

Women's Circles at MESA

Connection • Healing • Community

Contact MESA: info@movingtoendsexualassault.org

Women's Circles at MESA are safe, supportive gatherings for adult women (18+) who have experienced trauma. Each two-hour circle includes grounding activities, reflection, and opportunities to share in community. Participation is always optional—you are welcome to simply listen or engage as you feel comfortable.

Why a Women's Circle?

Survivors often long for connection and community. Healing can feel isolating, and Women's Circles create a space of belonging, resilience, and shared strength. Each month, we focus on honoring our past, present, and future selves.
